

6 Weeks Before Checklist

- Inventory your valuables, and begin sorting through possessions of yours that will not be moving. Consider having a yard sale.
- Using a floor plan of your new home, start to decide where you will place your furniture when you move in. This may help you to narrow down, any furniture you may not need.
- Start collecting packing materials, such as boxes, bubble wrap & newspaper.
- If you are moving due to a job, ask your HR Department, of what expenses they will pay for, for your move.
- Start packing. Start with possessions that you haven't used during the last month.
